Hi Rob! I just got a press release from Frank Angel about a CEQA lawsuit filed against the city by Hollywoodians Encouraging Rental Opportunities, over the conversion of a Hollywood apartment building into a hotel. This was on Cherokee Avenue. I'm still getting a copy of the complaint, but I understand it was filed Monday. I'll be writing a short blog post about it. Does the City Attorney's Office have any comment on the lawsuit?

Many thanks,
Emily
